President's Letter Susan Wilper, Alumnae Chapter President

The IRD theme for 2011, "Seasons of Sisterhood," emphasizes the value of each member of Alpha Gamma Delta, no matter her age. Epsilon Kappa's Alumnae Chapter does a phenomenal job of bridging generations. Although the efforts between the alumnae and the collegians come quickly to mind as one of the bridges between generations, I am most proud of the friendships that have formed between the members regardless of age. These women with different backgrounds and experiences have become friends through the shared bond of Alpha Gamma Delta.

This edition of the Nutty News illustrates the many shared activities and interests of our members. I hope you enjoy our "Seasons of Sisterhood" article highlighting the fun events the Alumnae Chapter participated in over the last year. I hope the letter from the Chapter President, Rachel Hegarty, brings back memories of your college days.

As you enjoy reading the articles, I challenge you to ponder what Alpha Gamma Delta means to you. Obviously, the Fraternity stands for many things outlined by our Purpose, the Mission, and the Vision "Inspire the Women, Impact the World." But on a more personal level... what does AGD mean to you?

To me, Alpha Gamma Delta means many things. It is the fond memories of college days: our pledge class (I'm aging myself a bit there by admitting we weren't called a "new member" class) shenanigans (you'll have to ask me or one of the other 1994 pledges about those in person), shaking our bushy tails while serenading (I always loved the Squirrel Song), and activities from spending countless hours pumping the Homecoming floats, practicing the routine for airband (I can still do some of the moves to "Respect" and "Vogue") to painting the gorilla... and also the encouragement we were given as young members to become involved in the campus community and to grow and develop as an individual and a leader. In our collegiate days we developed life-long friendships, and we built skill sets that would launch us into our lives.

If you have thought about some of your fond memories of Alpha Gamma Delta, I hope you will consider joining us soon and rebuilding those ties. As an Alumnae Chapter we hope to reconnect you with some of your long lost sisters in one of our many social events. At the same time we have a focus on supporting the collegians of today so that we can impact the leaders of tomorrow.

Take the time to reconnect with your sisters in Alpha Gamma Delta. There is something for everyone with the Alumnae Chapter... whether you want to be actively involved in planning and leading the group... or you just have the time to join us for a social gathering. We hope to see you soon!

Loyally,

Susan Wilper ('94)

Scholarship Information

Did you know there are two scholarships sponsored by the alumnae of Epsilon Kappa on the local level? Both scholarships were created in memory of two members of our Chapter. These two scholarships were awarded to a collegiate member each year at IRD. In recent years, the funds were dwindling and no scholarships were given in order to determine a plan of action for the money.

The first is the Imogene Boone Scholarship which was established by her brother, Leland Boone. Imogene was a member of Theta Sigma Upsilon when it merged to create Epsilon Kappa Chapter of Alpha Gamma Delta in 1959.

The second scholarship is in memory of Jacqueline Iley who was initiated into EK chapter in 1975. Jacqueline was a fun-loving member of the chapter and served as pledge trainer. She was killed in an accident in 1977, and the scholarship was founded in her honor.

With the formation of EKAC, the scholarships now have a home and Patty Huddlestun Palmer ('68) has volunteered to work to establish criteria and guidelines for the scholarships. Any proceeds left over from IRD go to these two scholarships and fundraising is planned for the coming year.

If you are interested in volunteering to help with these scholarships, your help is needed. Please contact Patty Huddlestun Palmer at outpalmr@greenhills.net or 660-646-5229.

In the last two years, the Alumnae Chapter has contributed \$600 to these two scholarships. Donations to these scholarships are always appreciated and can be mailed to the EKAC at this address:

The Alumnae Chapter looks forward to seeing these scholarships awarded once again and to reporting progress in the next edition of the Nutty News.

Collegiate Chapter Report

Over the past few months, the colligate chapter has been working to get back into the swing of another semester on the Pittsburg State campus. The chapter had a very busy and successful fall semester, filled with all sorts of excitement.

September –

Social Coordinator Courtney Decker (Olathe, KS) planned Family Day at Memorial Auditorium. We had lunch with our families, followed by the annual Parents' Day Auction of donated gifts from Alumnae and collegiate families. The following day we held the annual Alpha Gamma Delta Golf Tournament. It was a great success. Epsilon Kappa is proud to be one of the first chapters in this school year to raise \$2000 for the Alpha Gamma Delta Foundation and to be considered a Jewel Chapter 15 years in a row!

October –

The Homecoming Week theme was "The Grass is Always Greener, On the Gorilla Side." The chapter took first in the Spirit Art Competition with their recycling robot design. In Gorilla Games, we took second place in the women's division, and in Yell Like Hell we took second place with our "Transformers: Transform the World". We had four members nominated for Homecoming Queen this year. Erin Jones (Fort Leavenworth, KS), Whitney Smith (Columbus, KS), Jessica Hicks (Lenexa, KS), and Megan Allen (Pleasanton, KS) all worked very hard and did a great job. We partnered with Lambda Chi Alpha in creating our Homecoming float and received third place. During the week of activities, we worked very hard as a chapter and ended up winning first in the overall Homecoming competition.

November –

In November, Epsilon Kappa initiated twenty lovely ladies. We also participated in Panhellenic Spirit Week. Ashley Fann (Shawnee, KS) won the award for top attendance at the spirit events. Mary Pike (Tulsa, OK), Caitlin Borel (Overland Park, KS), Rose Glenn (Olathe, KS), and Jessica Hicks, all participated in the "Miss Panhellenic Pageant." Each member worked with the other sororities to represent their pledge classes and compete for the overall title. Courtney Decker planned the Alpha Gamma Delta winter formal and used the theme "A Black Tie Affair." Members also had the privilege of participating

in the local Greek Leaf Rake to benefit the Pittsburg community.

December –

Epsilon Kappa elected a full officer team at the beginning of December and held an officer training day to prepare them for their new offices. Courtney Decker planned a Casino Dad's Day at Schlanger Park. Many members and their fathers attended and the event was a great success. Before dismissing for the Holiday Break, the Alumnae Chapter held a Senior Rededication Ceremony for six of our members.

The chapter had a very successful fall semester academically, receiving first in all Greek grades with a 3.34 GPA. This was exciting news and we are hoping to continue to raise our GPA.

January & February-

Since school has been back in session, we have been working to promote sisterhood and leadership within the chapter. On February 5, 2011, the new officer team attended Basic Leadership Training on campus. It was a full day of inspirational speakers and workshops that promoted becoming great leaders and taught us to face adversity within our group or organization. Mary Pike, our new sisterhood coordinator, has also been brainstorming new and fun ideas for sisterhood activities. Our goal for the semester is to promote more sisterhood and so far she has held a movie night, ice cream social, and pot luck dinner and has had great success. During Continuous Open Recruitment, Epsilon Kappa gained eight new members who we plan to initiate in April.

I am very excited about all of our chapter's accomplishments and look forward to my first semester as president. We already have so much planned, and it is my hope that we will be able to have a fun and exciting Spring semester. If you have anything to share with us or questions for the chapter, please email us at epsilonkappaec@gmail.com or to my personal email at rihegarty@gus.pittstate.edu.

House Association Update

After a very busy summer, the House Association Board promised the girls we would do only limited maintenance to the house during the school year to minimize disruption. We focused on some external projects that improved curb appeal from Broadway.

- We have installed securely mounted Alpha Gamma Delta Greek letters to the exterior of our house. They were custom mounted and professionally installed higher than the old ones that had frequently been the target of thieves and vandals.
- We added flood lights to the exterior of the house not only to illuminate the house at night and show off our beautiful new letters, but also to increase safety in our parking lot and around the doors.
- We installed new exterior doors for all three entrances. The previous doors were hollow and not suited for external door commercial use and the old doors were causing drafts and heat loss.
- On the inside of the house, ceiling fans were added to several bedrooms where there was enough head clearance. Several of the smaller rooms with bunk beds did not get fans this winter break, but we are looking to see what we can do to outfit those rooms as well.

The big project coming up for this summer is to remodel the two upstairs bathrooms. We are working with SAW club on the PSU campus to build cabinets and shelves to make the bathrooms more functional and durable for the girls to use. These bathrooms will be getting the same tile floors that were used in the two downstairs bathrooms last year to make the look and feel consistent.

I am sure many of you are thinking that is all great, but what about the addition! We are still working toward plans for an addition. A sub-committee of the HA Board, along with an architect and engineering firm, have recently completed the parking lot site plan, floor plans for the upper and lower additions, and cost estimate for all. I will be unveiling those at the House Association Annual Meeting on April 16 immediately following IRD. If you have never been excited to attend an HA Annual Meeting, then you should get excited for this one. If you will not be able to make the HA Meeting, don't

New Greek Letters

worry; full details will be on the Alumnae Chapter website (www.agdpsualum.com) within a few days of the meeting. I am also going to attempt to video tape my presentation for those who miss it so you can hear the full details.

Additionally, the HA board felt that one of the most important things we need to do as we move forward is to document the history of our housing. We are working with a professional videographer to capture the “story” of our Chapter House – past, present and future. We are looking for women with memories of the house who would like to participate so contact me at heather@idea2paper.com or 913-219-5203. We are looking for women who lived in each room in each decade (70's, 80's.....). We would also like to include women who served on HA Board or as advisors during key periods like the original house purchase, the 1980's addition, the 1993 flood, etc. If you have a special story about a memory in the house you are willing to share, please contact me. Did you get engaged in the house or on the grounds? Perhaps you were in the house during some major historical event such as the Challenger explosion, 9-11 attacks, etc. We will be filming at the house on April 15. This is the day before IRD so if you are willing to share your story either that day or at another time, we can arrange it. We are hoping that the documentary will not only be a nice recruitment piece for the house tour, but will also serve to reconnect Alumnae as we plan for our expansion fundraising events.

As always, if you have any questions or concerns about the Chapter House or if you want to get involved, I welcome your call or email.

Seasons of Sisterhood

It's been an incredible year for Epsilon Kappa Alumnae Chapter – whatever the season we find a reason to get together, have fun and support the collegiate chapter.

The highlight of last spring was, of course, IRD. Several alumnae met at Maggie Costantini Ryan's ('67) home the night before to eat, drink and catch up with one another. To the credit of Shannon Nichols Fletcher ('94), last year's IRD was another wonderful reunion. The theme was "Recipe for Success," so the Alumnae Chapter started a campaign to reach out to all of our alumnae asking them to send in some of their favorite recipes that could be included in an Epsilon Kappa cookbook. The response we received was fantastic. We ended up including 250 recipes from fellow alumnae. Thank you everyone who contributed a recipe.

Spring also saw participation in activities with the collegiate chapter including attending Spring Initiation and providing lunch to the chapter during Recruitment Training Day. Several alumnae members presided over the Senior Rededication ceremony welcoming graduating seniors into the sisterhood of Alpha Gamma Delta Alumnae.

Last summer we held a garage sale raising \$300, which was donated to Alpha Gamma Delta Foundation to the Connie Yates Brown Scholarship. Unsold items were donated to Choices Emergency Shelter, a local Pittsburg charity. It was a great opportunity for alumnae to clean out closets and get rid of unused items while at the same time supporting Alpha Gamma Delta and the Pittsburg community.

In the fall, the collegians returned to school for Work Week and Formal Recruitment. The Alumnae Chapter provided welcome back treats and donated new silverware to the house. Several alumnae attended Recruitment parties and Bid Day activities, including providing the Bid Day meal. The Chapter had a very successful Formal Recruitment and the alumnae enjoyed seeing their enthusiasm.

In October we held our second annual Homecoming Tailgate. While we couldn't have asked for better weather, we wished we could have seen a PSU victory. Over 40 alumnae and collegians, spanning 5 decades, attended the tailgate. We all enjoyed a great lunch catered by Mall Deli. The fun didn't end with the game. Several alumnae gathered for a post-game party at the home of Maggie Costantini Ryan, where

again, we had more food and drinks than we could ever imagine finishing. It's always fun reminiscing and hearing stories from other alumnae – but oh, how things have changed over the years!

Several of us gathered again in December with our families at the home of Amy Speck Vinton ('92) for an early Christmas celebration. And no Christmas celebration would be complete without a visit from Santa. We would like to extend a big thanks to Tom Speck who, again, played the part of Santa. All the kids had an opportunity to get their picture taken with Santa, which meant our alumnae could avoid the long lines and hassle of getting a picture with Santa at the mall. We also had a silent auction at the party where we raised \$235 that will be used to pay for activities that will support the collegiate chapter.

Most recently we sponsored a Zumba fundraising event at the PSU student center. Alumnae Christy Deruy Hays ('83), a certified Zumba instructor, was gracious enough to come to Pittsburg from her home in Tulsa, Oklahoma, to volunteer her time to teach a Zumba class. We had an incredible turn out with alumnae, collegians and women unaffiliated with the chapter joining in on the fun. The event raised more than \$400. And after the hard workout, several of us met for lunch at Mall Deli.

Looking back, the Alumnae Chapter has had a successful and fun-filled year! We are excited about another year of creating new memories and sharing old ones. We are very fortunate to have the continued support of so many alumnae and always encourage others to get involved. Hope we see you at the next event!
